

44821 N 12TH ST, NEW RIVER

Country charm meets desert serenity at this stunning New River retreat! Situated on over 2.6 acres just one mile from Tonto National Forest, this territorial-style 3-bed, 2.5-bath home offers a spacious split floorplan, oversized bedrooms, and a sparkling new pool with breathtaking mountain views. Entertain under the covered patio with a built-in BBQ or relax in the above-ground spa. Complete with a 3.5-car garage, full RV hookup, and space to build a second home, this private oasis blends outdoor adventure with modern comfort, all with an affordable cost of living!
