

3 Beds, 2 Baths - 1,940 sq ft - \$429,000

Beautifully renovated 3-bedroom home in Cottonwood offering exceptional flexibility and modern upgrades. Originally designed as a 2-bedroom, this thoughtfully reconfigured layout includes an additional living space ideal for a guest suite, home office, or multi-generational living. Featuring a brand-new roof, new HVAC system, luxury vinyl plank flooring, quartz countertops, and fully updated bathrooms, this move-in-ready property delivers both style and peace of mind. Perfect for homeowners or investors seeking versatility, comfort, and turnkey convenience in a desirable Cottonwood location.
