

Beds, Baths - 0,000 sq ft - \$ 500,000

Located in the sought-after community of New River, this stunning single-level, open-concept home offers the perfect blend of modern design and everyday functionality. Featuring 4 spacious bedrooms, 3 bathrooms, and a thoughtfully designed layout, this home centers around a gourmet kitchen, dining nook, and expansive great room ideal for entertaining and daily living. The private primary suite boasts a spa-like bathroom with dual sinks, step-in shower, and a large walk-in closet, while the covered backyard patio extends your living space outdoors. With ample storage and a 2-car garage, this move-in-ready home delivers comfort, style, and convenience in one of New River's most desirable areas.
