

2 Beds, 1 Bath - 999 sq ft - \$895,000

Oaklands is a family oriented neighbourhood. If you didn't already know that then you must be new to Victoria. You should know that one of the most popular elementary schools, Oaklands Elementary, is one block away. All other schools in this catchment get top marks along with a number of private schools close by. Older students are right on the bus route to take them to higher learning at UVic or Camosun. No doubt this is a central location for ALL ages. There is shopping, entertainment, transit, golf, tennis, 2 rec centres, bike lanes and so much more to love. Easy walking and very friendly neighbours all around. Originally built in 1950 by a returning soldier - he needed a house to start his family. With a legacy of young families in the area, this home is ready and waiting yours.
