

1090 MADRONE, FISCHER/CANYON LAKE

Discover a stunning single-family home in the Texas Hill Country, where modern elegance blends with rustic charm. Built in 2026, this 2,142 square foot residence sits on a spacious one-acre lot. Enter through a handcrafted iron front door into bright interiors featuring vaulted ceilings and large picture windows. The great room, with exposed beams and a cozy propane fireplace, is perfect for relaxation and entertaining. The chef's kitchen boasts an inviting island and high-end appliances with extended warranties. An oversized garage and clean water septic system enhance functionality. Enjoy shopping nearby while relishing the tranquility of your serene escape. Create lasting memories in this exquisite Hill Country retreat.
